Unathi Electrical

Introduction

Unathi Electrical was started in September 2011 and has grown from strength to strength over the last three and a half years. The company started with 1 vehicle and now has 13 vehicles as well as a strong workforce.

We specialise in various areas of electrical work from domestic and commercial installations to industrial installations and power reticulation.

Mission Statement

The mission of Unathi Electrical is to provide a professional, comprehensive experience from the installation to the maintenance. We bring in a wealth of experience and expertise in the electrical field, accompanied with an honest approach to all our business endeavours.

Goals and Objectives

The goals and objectives of our company are to keep growing from strength to strength by continuing to offer a steadfast and unmatched customer experience. We ensure we always supply quality products as well as timely, honest service. We ensure to always uphold our own high standards that we have set for our company.

BBBEE Level

We have a level 4 BBBEE and are looking to improve on this rating moving forward.

Unathi Electrical Teams

Unathi Electrical has 13 vehicles on the road with 42 permanent employees, 11 students and two staff transport vehicles. We have all necessary rigging equipment including a crane truck for all reticulation work.

I have personally been in the electrical trade for over 26 years, have vast industry knowledge and am available to assist with all aspects of the project from the first designs to the final install of the project.

Unathi Electrical Maintenance Teams

At the moment we have 2 teams, doing maintenance for Builders Warehouse, Tafelberg Furnishers, Cashbuild and Vizual Security. We also do maintenance for various other companies and clients.

Collaborations

We are working closely with Zenergy active energy management, Energy savings Africa, Luminece and ALR consulting on energy saving options with a direct supply of all energy saving products. We also have NLA Electrical & Mechanical project Engineers and Consultants on board.

Unathi Group

Unathi Group has a security division, "Unathi Security" for all security needs including designing, supplying and installations.

Unathi Group has recently opened Unathi Vehicle Repairs for all vehicle repairs and to maintain our own fleet of vehicles.

In addition to these companies, Unathi Group has opened Unathi Plumbing in January 2015
